Counsel,

As discussed on today's call, I've been asked to convene a call with the governmental attorneys to discuss governmental positions for the next County revisions to the MOU. The hope at EPA is that we can have agreed-upon positions that the Counties can proposed to the Coalition by early next week.

I am free all day Thursday, but still need time to consult internally at EPA. So, I propose 1:00-3:00 tomorrow (Thursday) for our call. If that works for everyone, I will set up a conference line.

I hope to send to you, prior to the call, the positions that EPA hopes to see the Counties promote in the next MOU draft. Its up to the Counties as to how they respond to the Coalition, but I do not intend to propose MOU edits – I don't think that's a good use of our time. Rather, I propose that we agree on a set of concepts. Prior to our call tomorrow, I hope to be able to send to you EPA's proposed concepts by email.

Thanks, Chuck
